PROPOSED TEMPORARY CLOSURE OF PICKET LANE, SOUTH PERROTT

I have received an application from National Grid to close PICKET LANE, SOUTH PERROTT between its junction with Manor Close and Bellamy Farm, a distance of approximately 65 metres. The closure has been requested to allow National Grid to carry out a supply upgrade. These works are programmed to commence from 28 September 2026 until 07 October 2026.

National Grid will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Izzy Rowland, (trafficteam@dorsetcouncil.gov.uk) by 31 August 2026.

View all roadworks in your area - dorsetcouncil.gov.uk/roadworks-events or read the council's [guide to roadworks](#) for general information and advice.
